

Big White used uniforms

The conditions are:

1. They pay for the shipping from Big White to their location.
2. They have to cover or remove our logos. I have attached photos outlining our logos.

As you can see, we have a wide range of sizes and quantities available, catering to both men and women. We have boxed them, i.e., Men's medium jackets with Men's medium pants, or Ladies, size ten jackets with Ladies' size 10 pants.

The uniforms are four (4) years old, but one was the COVID year, and only a small amount was used.

Anyone who wants our used uniforms can contact me at mrichards@bigwhite.com and outline what they would like from our list.
